

For only \$22.00 weekly
Changing Habits provides:

- 70 diapers weekly
- Same diapers returned
- High quality, prefolded 100% cotton diapers (4 sizes in stock)
- pH balanced, commercially washed diapers
- Dependable weekly delivery to your door
- Personal, friendly service

No need to rinse, soak, or pretreat your diapers!

All you have to do is:

- Remove clean diapers from plastic bag
- Reuse plastic bag to line your pail
- Change your baby frequently
- Place soiled diapers in bag inside diaper pail
(PLEASE SHAKE SOLID WASTE INTO TOILET)
- We do the rest

Never use diapers for anything but the baby's bottom

- Cotton diapers are better for the environment. Each year more than 800 million trees are destroyed to make chemically-laden disposable diapers,.
- Each day 14,000 tons of soiled diapers are sent to America's landfills.
- It costs American taxpayers \$350 million each year to process the trash created by disposable diapers.
- Dollar for dollar, reusable cotton diapers cost less for you, your neighbors, and the Earth our children will inherit.
