Upon payment of a minimum of four weeks (\$_____ plus startup fee) you will receive four weeks of diaper service. To receive diaper covers and snappi fasteners additional monies need to be paid at time of or prior to delivery of these items.

A plastic bag will be provided with each delivery. All diapers must be in our bag, one bag per 70 diapers ordered. We do not accept bags inside of bags or bags without customer name on outside of bag.

On your scheduled delivery day, put your soiled bag, knotted, outside your front door, (or a designated spot between you and your driver) along with any payment due by _____. **Diapers will be left even if yours are not available for pick up. You are charged your weekly fee even if you do not leave us your soiled bag. To cancel one week's service, customer must call one full week before your delivery day. The minimum service fee (\$14.00) is charged for all cancelled weeks.** If driver needs to wait for dirties to be brought to the door customer will be charged a \$5.00 wait fee for each occurrence.

If a check should be returned by the bank due to insufficient funds, there will be a \$20.00 service charge. Late payments incur a \$1.00 weekly late fee.

Changing Habits if possible, will try to return to get missed pickups of soiled diapers. The fee for this service is \$12.00 per occurrence. When we do not get your soiled diapers, you do not receive clean diapers the following week.

Customers will receive 4 canceled service weeks at no charge. After one year of completed service, the customer will receive another 4 weeks of canceled service at no charge. All other canceled weeks will be charged at \$14.00 weekly.

For extended breaks in service, one week notice must be given, and all diapers must be returned to Changing Habits. When the customer restarts service the \$25 start fee will be assessed and after 12 more weeks of service are completed a \$25 credit will be issued on the next payable invoice.

When you prepay any 12 weeks of service at one time by the due date of your recent invoice, you will receive the 13th service week of that cycle at no charge. This is providing that the customer has also used eleven out of the twelve weeks of service and not canceled service for more than one week during a 12-week cycle. Paying on the yellow invoice does not qualify you for this agreement. Using your bank's check service is acceptable so long as payments reach Changing Habits by the due date. The mail is not always reliable, and Changing Habits will note payments received past the due date as late.

Changing Habits has a PayPal link on its website which customers may utilize. The customer agrees to pay the service fee precalculated from current PayPal rates when using the PayPal option.

Please sign a copy of each service agreement and return it to Changing Habits with a check for \$_____ (four weeks plus the \$25.00 start fee). Payment must be made upon the first delivery.

Thank you for choosing Changing Habits Diaper Service. We look forward to being of service to you.
